Show Staff and Visitors how to prevent the spread of Covid-19

COVID-19 coronavirus

If you are showing Symptoms

If you or anyone in your household has a high temperature or a new and continuous cough - even if its mild

- Everyone in your household must stay at home for 14 days and keep away from others.
- Go to NHS 111 to check your symptoms and follow the specialist medical advice. Only call NHS 111 if you can't get online or your symptoms worsen.
- Protect older people and those with existing health conditions by avoiding contact.

Please DO NOT enter this building

Ensure your hands are clean

Wash your hands more often for 20 seconds. Use soap and water or a hand sanitiser when you:

- Get home or into work
- Blow your nose, sneeze or cough
- Eat or handle food

Alcohol handrub hand hygiene technique - for visibly clean hands

For more information and the Government's Action Plan go to nhs.uk/coronavirus
