## Covid-19 Safety in the Workplace Solutions

Show Staff and Visitors how to prevent the spread of Covid-19

**COVID-19 coronavirus**

**If you are showing Symptoms**

If you or anyone in your household has a high temperature or a sore and continues cough even if its cold

- Everyone in your household must stay at home for 14 days and keep away from others.
- Go to NHS 111 to check your symptoms and follow the specialist medical advice. Only call NHS 111 if you can't get online or your symptoms worsen.
- Protect other people and those with existing health conditions by wearing a mask.

**Please DO NOT enter this building**

**Ensure your hands are clean**

Wash your hands more often for 20 seconds. Use soap and water or a hand sanitiser when you:

- Get home or into work
- Blow your nose, sneeze or cough
- Eat or handle food

**Alcohol handrub hand hygiene technique - for visibly clean hands**

For more information and the Government's Advice Page go to [www.ukhsa.gov.uk](https://www.ukhsa.gov.uk)
